

# HELLO, WE'RE SPACEHIVE

21/09/2016

WE'VE BEEN MAKING PLACES  
TOGETHER FOR YEARS

**MODEL**  
Of the Statue of  
**"LIBERTY ENLIGHTENING THE WORLD,"**  
Issued by the American Committee  
IN AID OF THE PEDESTAL FUND.

THE American Committee in charge of the construction of the Base and Pedestal of this great work of art, in order to raise funds for completing their work, have prepared a *miniature statuette six inches in height*.—The statue bronzed; pedestal nickel-silvered,—which they are now delivering free of expense to subscribers throughout the United States, at

**ONE DOLLAR EACH.**

This attractive souvenir and Mantel or Desk ornament is a *perfect fac-simile* of the model furnished by the artist.

The Statuette in same metal, *twelve inches high*, at

**FIVE DOLLARS EACH,**  
delivered.

The designs of Statue and Pedestal are protected by U. S. Patents, granted to A. BAKTHOLIN in 1878-79, and the models can *only* be furnished by *this Committee*.

The people of France donated the money to build the Statue and presented it to the United States of America.

Every American citizen should feel proud to donate to the *Pedestal Fund* and own a *Model* in token of their subscription and proof of title to ownership in this great work.

Address with remittance,

**RICHARD BUTLER, Sect'y,**  
American Committee of the Statue of Liberty,  
33 Mercer St., New York.
